C & SF - FCD MILLAGE

Budgets \$5,273,000 Total of \$9,388,000

The Governing Board of the Central and Southern Florida Flood Control District today approved a tentative budget of \$5,273,000 for fiscal year 1962-63 with unanimous agreement that taxes should be held at the current level of 9 a mill thru 1962-63 and not increased during the year.

The Board directed that the new budget be advertised publicly throughout the 18 counties of the Flood Control District in coming weeks.

A public hearing on the budget is scheduled at West Palm Beach, May 11th.

Robert R. Horner of Palm Beach, Vice Chairman of the FCD Governing Board, said: "On close examination of the tentative budget submitted to us, one item among anticipated funds shows a conspicuous increase over last year, that is District taxes. I would like to hold the line, and I believe strongly that the millage levy should not be increased in the coming year."

Brian McCarthy of Fort Pierce seconded the motion and the idea was concurred in by Riley Miles of Kissimmee, FCD Board Chairman, and by Stanley Koller of Melbourne.

Koller, who was recently appointed to the FCD Board by Governor Bryant, was sworn in as a Board member. He replaces Curtis R. Barnes of Cocoa who resigned from the FCD to accept the position of Clerk of the Circuit Court in Brevard County last month.

It is estimated that the FCD will collect \$4,691,000 in taxes this year from the current millage levy. The tentative budget approved for fiscal 1963 estimates taxes of \$5,273,000 will be required in the coming year.

FCD receipts are used primarily for two purposes:

- 1. To buy land and rights of way for future flood control and water conservation works (built by the Army Corps of Engineers), and to pay for reductions of bridges, utilities, etc.

They really enjoyed. Mrs. Wendell Moore, Den mother and assistant, Mrs. Laveria Carlton cooked the hamburgers for the group.

On the trip were: Berardo Gonzalez, David Hays, David Morris, Mark Crissman, Mike Smith, Keith Cook, Arthur Wells, Brian Morris, and Linda. They all had a good time and they are looking forward to the next outing.

Access Roads Being Provided To New U.S. No. 27

County Commissioner Paul Rardin reported to the county commission this week that a series of connections has been made part of the program for improving and relocating U.S. Highway 27.

Rardin said the people of Lake Harbor, Belle Glade, and Belle Glade Beach had been concerned about access roads to U.S. 27 which is being located in the half mile from the three communities. The State Road Department, Rardin said, had agreed to build a connecting link from each of the communities to the new highway.

'Dead As... Dodo Bird' Says Jensen 'Blame - Fall - Guy - Smoke - Screen'

We print the following letter from Ed Jensen, as a source of information for the public, and as an opinion of a "hot potato" in the public eye at the moment.

The Belle Glade Herald

Belle Glade, Florida

Dear Lather,

In reading the current issue of your newspaper I find that you have on your front page an article concerning the proposed consolidation of the Northwestern and Southwestern Florida Districts which would credit to one of the "blame" men the failure to agree.

First let me say that I am no longer a member of the Northwestern Palm Beach County Hospital Board, my term having expired a year or so ago. I was, however, Chairman of the Board at the time negotiations were started on the proposed consolidation and the Belle Glade Board to point out some facts which I believe to be pertinent, and with which you may or may not be familiar.

The first inkling we had of the proposal to consolidate was when a member of your Board called on me and asked that we set up a special meeting of our Board which a Committee from your Board would attend in order to outline a proposal, I arranged this meeting, and a Committee of three from the Northwestern Board met with us.

When the spokesman for this Committee started to outline their proposal, I stopped him, and told him that in view of the fact that the consolidation had been in the past been toward consolidation between the communities of Pahokee and Belle Glade, I felt that before going any further two conditions must be discussed and agreed upon.

My first condition was that it would be understood and agreed that any consolidation hospital must be located approximately midway between the communities of Pahokee and Belle Glade.

My second condition was that

on such lands.

2. To pay for operation and maintenance of completed works.

The funds used for construction of new flood control and later conservation works are provided by the federal government and the State of Florida. The federal government pays 80 to 85 per cent of construction costs. The District has requested a federal appropriation of \$16.5 million for 1962-63. President Kennedy has recommended appropriation of \$13.5 million and the matter is now pending before Congress.

The FCD Board directed its staff to re-study all items in the new budget in a "holistic" effort, to see if any anticipated expenditures can be reduced by stringent economies. Due for renewed scrutiny will be anticipated expenditures for flood control, for relocation, and for all items required for normal conduct of Flood Control District business and overhead expense.

"High Fidelity" Music Appreciation Offered By Lions

Bring your reading, relax, have a cup of coffee and listen to Mozart, Beethoven and other composers, all for free.

Belle Glade Lions initiate this program on May 11th at the Community Center beginning at 7:00 p. m. and lasting one hour.

The program is presented by the FCD Board Chairman, and by Stanley Koller of Melbourne.

Cub Scout Den 4 Enjoys Hike-Cookout

Den 4 of Cub Scout went on a hike to the new park between Belle Glade and Pahokee. Travis Moore, Den 4 leader, and his mother, Mrs. Wendell Moore, Den mother and assistant, Mrs. Laveria Carlton cooked the hamburgers for the group.

On the trip were: Berardo Gonzalez, David Hays, David Morris, Mark Crissman, Mike Smith, Keith Cook, Arthur Wells, Brian Morris, and Linda. They all had a good time and they are looking forward to the next outing.

Kissimmee River & Hoover Dike Contract Totalling \$7,239,720 To Be Awarded

A \$4,113,750 job for dredging the Kissimmee River, the lowest of five bidders, were awarded a \$3,125,770 contract for enlargement of the Herbert Hoover Dike along the south shore of Lake Okechobee to permit improvement of great quantities of water.

Col. J. V. Sollohub, District Engineer, said dredged material from the lake will add 1 to 6 feet of height to 13-12 miles of existing dikes, bringing them to an average height of 25 feet. Levees along the southern rim of the lake are 19-22 feet high. Some of the 3-12 million cubic yards of spoil will be used to construct tree islands which will serve as windbreaks and help retard erosion of the levees during storms.

The levee enlargement will extend from about two miles southeast of Hurricane Gate 2 at Clewiston to Hurricane Gate 4 at the Hillsboro and North New River area.

Ronee, Inc. and Reynolds and Smith, Inc., of Moore Haven, Fla., the lowest of five bidders, were awarded a \$3,125,770 contract for enlargement of the Herbert Hoover Dike along the south shore of Lake Okechobee to permit improvement of great quantities of water.

Insurance Cash Value, Beneficiary Home Loan Eligibility Expires

The Veterans Administration's \$75 million will be distributed to direct GI loans, and the number and amount of applications governs the final amount assigned to each district.

Also, World War II veterans have until June 30, 1963 to make application for a GI loan; if they were discharged before June 1964 it would be well to check with the P. T. office.

Mental Patient Seriously Hurt After Beating

Nathan Webster 57, of Belle Glade, who has been a patient in the Arcadia Mental Hospital is reportedly having a heart attack as a result of a beating administered by two attendants on April 22 during a night shift.

He had been reminded that he was restricted against smoking and tossed the cigarette to the floor.

The doctor says that the patient is not violent, has no disposition for escape and is obedient. The Superintendent is quoted as saying "I'm hoping to God he will live."

Parents Control Students' Thinking Close Tells PTA

An open discussion on how to encourage "interest in learning" for our teenagers, was engaged by the Belle Glade PTA Monday night.

"Students are what they think parents want them to be," said Herman Close, Program Chairman. "Parents stress being popular, so students place this first. Then comes athletics. Note the number of parents attending football games as against PTA science exhibit and educational programs. Last on the list is being a good scholar."

Some method of being devoted to give our children a greater desire to learn. We should encourage them to study independently, and to learn "how" to study.

Officers of the two PTA's were elected for next year. The Junior-Senior High School officers elected were: President, Mrs. J. W. Altman; Vice President, Mrs. J. W. Altman; Secretary, Mrs. J. W. Altman; Treasurer, Mrs. J. W. Altman.

Elementary School officers are: President, Dr. Joe Orwig; Vice President, John Kinlaw; Secretary, Mrs. J. W. Altman; Treasurer, Mrs. J. W. Altman.

Changes in the by-laws were reported by both committees. The changes were discussed. They will be voted on the first meeting of next year.

Principal Pellon Morris announced the Senior Play, "Lose Ankles" will be this Friday night. The Industrial Art Show is Tuesday night, April 17 in the school Gymnasium. Spring Festival is Friday, April 19 and Monday, April 20 and 21. A band concert will be given in the afternoon of April 20. Parents are invited to attend.

High school students are having their advanced registration for next year. It is very important for the students to select their subjects now as they will not be allowed to change when school opens in the fall. The modern foreign language equipment will be installed by next year.

DON'T FORGET the "Atoms of Health" workshop, Tuesday night at 7:45 at the High School cafeteria. Be sure to attend this educational program.

Belle Glade's Business Expanding With Service Efficiency & Savings

"Many acres have been annexed to the City and the City Commission has approved the annexation of the part of land owners says City Manager Owen in a report to the City Commission on a "state-of-the-Union" report.

A new Tax Assessor and Collector, Mr. J. W. Altman, is in office according to the Manager with "new methods employed to obtain more equitable enforcement of liens; records have been updated and income is up."

"High morale is evident in both the fire and police departments," a police pistol range according to FBI specifications is being built.

The newly created "Buildings and Ground Department" reports the Community Center completed and many eyesores have been eliminated.

The City Clerk and City Assistant have cooperated with the Judge and Attorney to install improved record systems in court procedures.

County Registrations Up 36 During March

Registrar Daniel Gorham reports that 197 Registrations and 198 Registrations have been added to the files during March. He has scratched 256 Democrats and 38 Republicans from the total for one reason or other. There were a total of 506 new registrations and 170 cancellations.

These funds are not to be counted as income. State Highway operations run with the normal county road program saved for in the annual budgets of the Commission.

Borrowings are being made on anticipated secondary gas taxes.

These roads will serve, in most instances the Coop, the new U. S. State Road, Canal Point, Florida Sugar, Ocala and Okeelanta, to some degree.

Holland Opposes Tax Withholding On Dividends

Senator Holland advises that the tax revision bill has thousands of opponents in Florida to the provision calling for withholding of 20 percent tax on all dividends and interest payments.

If the matter comes to a decision in the Senate, the Senator will oppose this proposition. The Senator advises that the poll tax constitutional proposal seems to have a good chance of passing; he has fought for the bill.

The Senator is afraid the Rubicon proposal about schools will lose Florida about \$800,000 and be a burden on the Federal government.

Grain Corn and Sorghums Eligible For Payments Other Than Planting

Announcement has been made by the United States Department of Agriculture that producers of hybrid corn and grain sorghum seed may receive payment for diverting seed into channels other than planting. The limits of the program relate to the sales made by the applicants in 1959 and 1960 as compared with 1961, and to participation in the 1961 Feed Grain Program in the State in which sales were made.

The payment rate for seed diverted in accordance with the program terms and conditions is \$1.50 per bushel for hybrid corn, seed and \$1.20 per bushel for hybrid grain sorghum seed. Any individual, partnership, association, or corporation located in the continental United States may apply for participation in the program if he has records to support the data required on the application form. Any person eligible may apply for the program at the A. S. C. S. office located at 531 North Military Trail, West Palm Beach, or the Glades Office Building, Belle Glade.

Goals After Graduation....

The President of the Belle Glade Memorial Hospital Auxiliary advises students, that choosing the right career is one of the most important decisions they will make in life.

"SECURITY" is the word to describe your future in Nursing. There will always be a job if you want or need it. The demand for nurses slightly unmet is expected to continue to grow. The nursing potential grows as the population grows. At present approximately 5 percent of college age women are choosing careers in professional nursing.

There are several educational routes to nursing and the student can select one best suited to her aims and abilities. The three ways to professional nursing are Junior College, Hospital School, College or University.

At this time the local Hospital Auxiliary is preparing to assist a student or students towards achieving their goal as a nurse by granting a scholarship loan. The student selected studies at the Junior College, also in community hospitals and health agencies for laboratory experience. This can run from 2 academic to 2 calendar years. Nursing theory and practice are interwoven with general education subjects — Basic sciences, the arts at the Junior College level.

The student at the end of her term will then receive an Associate Degree in Arts, Nursing or Science and is prepared to do

Sunshine 4-Hers Enjoy Picnic At Dike

A picnic to the dike recently was enjoyed by the Sunshine 4-Hers. Each girl brought a nose bag lunch and the leaders furnished the drinks.

We met at Mrs. Baughman's house at five o'clock. Some of the girls went with Mrs. Baughman and some with Mrs. Parker. When we arrived there we found a place, sat down and bar our lunch.

After we finished eating we were allowed to go at look at the locks. Cynthia was scared half to death, when she saw a snake, but it was dead. Linda found a stick and carried the snake back to the leaders to see then she threw it into the lake. After that we played Red Rover and were getting ready to play Murder when we had to go home. All had a good time—4-H Reporter, Linda Bauman.

Nursing - Profession For You?

general duty nursing under supervision in a hospital or similar institution.

Nursing is many careers — Depending on your preparation you may start as a general nurse on the staff of a hospital or in public health nursing — or you

may work in a doctor's office, or on private duty in a hospital or home, in a nursing home, camp or school infirmary or in military or similar service. Nursing is a good preparation for marriage and parenthood. Local students interested in

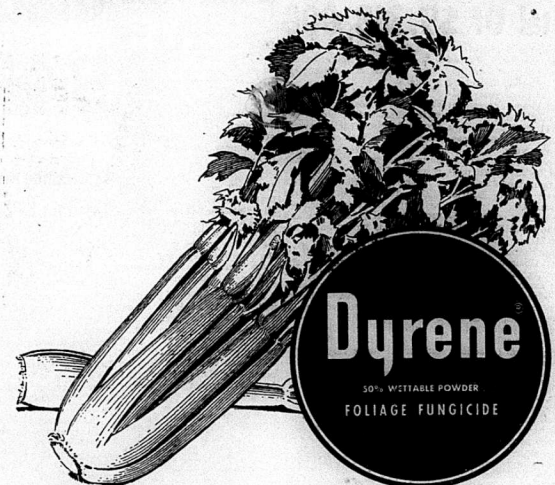

obtaining further information regarding the Scholarship loan can write to the chairman of the committee at the local hospital.

All Pahokee Telephone Numbers Change to 7 Numerals

New Type Numbering is Essential to Meet Florida's Growing Demands for Telephone Service

At 2:01 A.M. Sunday, April 15, all Pahokee telephone numbers change to 7 numerals. The new Belle Glade telephone directory, containing the new Pahokee numbers, has been delivered. Please do not use the new directory before April 15.

Here's How the New Numbers Look:
924-6999

This type numbering is important to keep pace with the tremendous growth of Florida, since it makes possible many more number combinations for customers in an exchange, and conforms with the new nation-wide numbering plan.

Depend on it to give you an honest day's work for a long, long time and not cost much to run or keep up. It's a Chevrolet.

Trucks aren't all alike. This Chevrolet has double-wall roof, doors and side panels. It has suspension that helps it last longer by reducing road shock. It has a non-skid wood body floor. It has as tough a tongue as you'll find. It has an all-welded frame made of high-quality steel. Most important, it has a name everybody respects because they know it stands for quality. When you

make up your mind to buy, get this one. We know you'll be happy with it.

HAVE YOU LOOKED INTO CAMPER BODIES? This is a fine way to enjoy the outdoors comfortably and at low cost. Many Chevrolet dealers are showing camper units now. Drop by and investigate this great way to make a truck do double duty. A strong Chevrolet is your best bet for work or pleasure.

Ground-Breaking Services Sunday For New S. Bay Baptist Pastorium

The First Baptist Church of South Bay will hold ground-breaking services for a new pastorium next Sunday afternoon, April 15th at 1:30 p. m. At the conclusion of the morning worship hour the congregation will remain for dinner on the grounds with all members bringing a covered dish. The church will furnish the drink and plates for the dinner.

At 1:30 the church will then move on to the grounds of the new pastorium and will

have ground breaking services. All ministers of the Big Lake Baptist Association and ministers of churches of surrounding communities are invited to this occasion.

Young People
The intermediates and young people of the church had a hay ride and cook-out last Friday evening. There were approximately 35 who went on the outing. They were chaperoned by: Rev. and Mrs. James A. Fenton, Mr. Jay Smith, Mr. and Mrs. Joe Blake and Mr. Frank Kelly. This was the concluding event of the Youth Week Services, except for the Sunday School and morning worship services. The key to the church was turned back over to the Pastor at the end of the service by the Youth Week Pastors Ray Sullivan, Jr., and Duane Stokes.

Jr. Girls Auxiliary
The Junior Girls Auxiliary of the First Baptist Church journeyed to Clewiston to the Em's Roller Dink on Saturday morning for roller skating and then to have lunch together in the afternoon. Those attending were: Barbara Warren, Gail Sullivan, Mary Jim Spire, Terry Crews, Marilyn Sullivan, Rhonda Walker, Janet Sumner, Judy Burkett, Marilyn Stokes, Sandy Winterrowd, The Chapone and leader of the Junior Girls Auxiliary are: Mrs. James A. Fenton and Mrs. Frances Blake.

Holy Week Services
At L. Harbor Baptist Church, Holy Week services will be conducted at the Community Methodist Church, Lake Harbor by Rev. J. O. Jamison, pastor. Each night of Holy Week the service will be conducted at 7:30 p. m. All members and friends of the church are invited to come.

The regular meeting of the Woman's Society of Christian Service for Monday night April 16 will be postponed a week because of Holy Week services.

Joy-Star Circle Presents WSCS Program "Woman's Changing Status"

The Joy-Star Circle presented the program "Woman's Changing Status" at the General Meeting of the Woman's Society of Christian Service on Tuesday night in the Ladies' Parlor of the Community Methodist church.

Mrs. H. L. Royals and Mrs. R. S. Burr gave the Devotional part of the program and Mrs. Russell Tucker gave a humorous and interesting talk on the modern woman and her role in the modern community. Mrs. Tucker illustrated her talk with cartoons all familiar to many of us. She also handed out the booklet "Needpoints" on the Everyday tensions in a Woman's Life by Ellis Galdwin.

Refreshments of cookies and punch were served following the meeting.

Colorful Banquet And Entertainment Concludes Study On Latin America

A very successful and satisfactory conclusion to the Methodist church was the study "Latin-American Lands in Focus" was a banquet at Jameson Hall on Wednesday evening April 4th with delicious food, entertainment and attended by more than two hundred people.

Five main tables representing the United States, Mexico, Panama, Bolivia and Brazil were decorated with the colorful representations of these countries. The program sheets were interestingly interspersed with Spanish. The highlight of the entertainment was provided by the colorful representations of these countries.

Baptist Vacation Bible School Workers To Meet

A planning meeting on April 16 will be held by all Vacation Bible School Workers at First Baptist Church. All workers are asked to attend, as plans for the entire school as well as for the individual departments will be made.

Vacation Bible School superintendent are to come at 9 a. m. and all other workers at 10 a. m. The planning will begin earlier this year in order to make the Bible School the best ever.

Church of Christ Invites You To Attend Services

Our Creator has endowed us with several basic desires, of which the greatest is the desire to be loved. He also gave us the ability to love and be loved. I am sure there are different kinds and degrees of love. There is a degree to which we must love all mankind, regardless of race, color or creed. This love is made manifest in several ways. One way is we let people know we love them by acts of kindness. However, we must remember it is much easier to love one that smiles and is friendly. "If we smile the world smiles with us, but if we frown the world frowns with us." Our Creator has said "He that would have friends must love his neighbor."

The following poem should be the Christian in kindness.

Before you busy being kind Before you know it you would find You'd soon forget to think "I was true" That someone had been unkind to you.

If you were busy being glad And cheering people who were sad, Your own heart may ache a bit. You'd soon forget to notice it.

If you were busy true To what you know you ought to do, You'd be so busy you'd forget The blunders of folks you've met.

Series Of Study Classes Slated During Holy Week
"The Meaning of Suffering" by Ralph W. Sockman will be the subject for discussion in a series of study classes to be conducted by the Woman's Society of Christian Service of the Community Methodist Church during Holy Week. Classes will begin promptly at 2:30 p. m. each day, Monday through Thursday April 16-19. Each session will continue for 1½ hours. Respective leaders will be: Mrs. R. V. Allison, Mrs. Robert Abel, Mrs. R. Y. Cech, Jr., and Mrs. John Dulany.

The author, Dr. Sockman, Dean of the American Protestant and one of the foremost clergymen in the U. S., is a well known author of many books on suffering. He has served as pastor of Christ Church, Methodist in New York City during his 30 years, and for many years a president of the Board of World Peace of the Methodist Church. He is president of the Church Peace Union, a Carnegie Foundation; associate professor of Practical Theology at Union Theological Seminary and chaplain of New York University.

A cordial invitation is extended to the members of other churches as well as those of the Methodist Church to attend any or all of these classes. A nursery will be provided for small children.

Old Baptist Pastorium To Be Remodeled As Educational Annex

Since Rev. and Mrs. Luther A. Key have moved into the new pastorium, the old one next door to the church will be the Educational Annex of the First Baptist Church. Moving day will be April 15.

On April 15 four departments will be using this space and several new departments are being added to the present number. New Departments and their Superintendents are to be: Nursery I (bed babies) Mrs. Ed Rice; Nursery II (toddlers), Mrs. James Conway; Nursery III (two years), Mrs. Billy Ray Evans; Nursery IV (3 years), Mrs. Pelt Pittman; Primary I (7 years), Mrs. Roy Litchfield; Primary III (8 years) Mrs. James Walls.

These departments will need more workers, anyone interested in helping out in touch with Miss Addison.

WSCS Committee Has Luncheon Meet

Mrs. R. W. Kipper and Mrs. W. R. Hooker were hostesses for the luncheon meeting of the Woman's Society of Christian Service executive Committee at the newly new home of Mrs. Kipper.

A delightful luncheon was served to Rev. and Mrs. Lee D. Rudolph, Robert Abel, Mrs. W. E. Carter, Mrs. R. Y. Cech, Jr., Mrs. H. V. Drea, Mrs. Howard Hill, Mrs. Robert Abel, Mrs. George P. Farnall, Mrs. Mendal Luce, Mrs. J. A. Fonder, Mrs. H. C. Post, Mrs. F. C. Schoenfeld, Mrs. M. M. Schlotz, Mrs. E. H. Thompson and Mrs. E. M. Van Landingham and son Gary.

Mrs. H. C. Post, president presided at the business session and announced names for Circle rotation had been completed and reorganization would be accomplished at the May Circle meeting. The morning circles will have a joint May meeting concluding with a pot-luck luncheon she stated.

A piano for the ladies parlor was still under discussion by the group and a reminder was given of the ladies' training classes scheduled May 3 at Lake Worth and May 10 at Ft. Pierce. It is hoped that all new officers and members will take advantage of these training opportunities.

The Membership Triangle for new members were returned and are being forwarded for presentation at the Annual Conference beginning April 24 in St. Petersburg. It was voted to remit the balance of an obligation assumed on the remodeling of the kitchen.

The spiritual Life secretary, Mrs. George P. Farnall, reminded the group of the upcoming book study during Holy Week, April 16-19 from 9:30 to 4 p. m. A nursery will be maintained each day.

The meeting was closed with prayer by Reverend Rustin.

The world hates change, yet it is the only thing that has brought progress. —Charles F. Kettering

Legend Of Bells At Easter Time

Yes, Virginia, there is an Easter bunny ... but sometimes he's a bell. According to one European legend, church bells, which do not ring from Good Friday to Easter, fly to Rome. On their way back, they drop eggs for children to find.

Bells have always been closely associated with religious observances, reports World Book Encyclopedia. Long before Christ, high priests of the Israelites wore bells as a protection against evil spirits. Since the 500's Christians have used bells to summon worshippers.

During the Middle Ages, bells were considered spiritual things. They received the blessing of a bishop and were washed with holy water - a custom popularly known as the baptism of the bell. The bishop prayed that the bell would announce the faithful to worship, drive away storms and frighten evil spirits.

Bells had other uses, too, such as announcing the curfew or calling attention to the notices of town criers. They warned of fires and called soldiers together.

In fact, the power of bells to rally people was so great that a conqueror frequently melted down the bells of a town.

OLD Mr. BOSTON

YOU'RE MAKING A BIG MISTAKE IF YOU'RE NOT DRINKING 80 PROOF GIN!

If you think higher proof means higher quality—that's a mistake.
If you think you have to pay more money to get a better gin—that's a mistake.
If you think the gin the English drink is more than 80 proof—that's a mistake.

You should know, to begin with, that America is the only civilized country in the world that drinks high-proof gin. The British, who perfected gin, wouldn't think of it! They know that gin has an ideal taste and flavor balance at a milder, smoother 80 proof. Here's the whole story:

80 PROOF GIN TASTES BETTER
"Proof" is no measure of quality. It's a measure of alcohol content alone. 100 proof means 50% alcohol. Alcohol itself has no flavor. The pleasant taste of gin comes entirely from the herbs with which it's distilled.

The best test of gin is to drink it straight or with the rocks. You'll find 80 proof gin has the big taste advantage of 80 proof milder—with the same full flavor of higher proof gins.

80 PROOF GIN COSTS LESS
Gins are taxed by the U.S. on their proof or alcohol content, only. The lower the proof—the lower the taxes, and the lower the cost to you. When you see an imported label, you add the cost of shipping and duties. That pushes the price even higher, without giving you 80 proof quality.

80 PROOF GIN MAKES BETTER MARTINI
It makes them extra dry, as you like them, but not extra strong. Twenty years ago the 170-1 Martini was standard. Today, with the trend to dryer Martinis, they're made 6, 7, even 8-to-1. As a result the modern Martini has climbed from a smooth, 35 proof to an overwhelming 84 proof! Solution? Mix with 80 proof gin. It gives you the same full, dry gin flavor, but it returns the Martini to its original, more moderate proof.

80 PROOF GIN MAKES BETTER TALL DRINKS
When you mix a tall drink, like a Collins or a gin 'n tonic, you dilute the strength of the gin "to taste." You also mix for balance of flavor. 80 proof gin will give you better balance. You don't have to down it to drink it.

HOW TO MAKE DRY MARTINI MAKE MORE SENSE

Using Standard 20 Proof Dry Vermouth	Using 80 Proof Dry Gin	Using 80 Proof Dry Gin (for 100)
3 - 1/2 - 1 (Traditional)	15.5 Proof	48.0 Proof
3 - 1/2 - 1 (Dry)	16.0 Proof	72.0 Proof
3 - 1/2 - 1 (Extra Dry)	16.0 Proof	73.1 Proof

(The "standard" proof for today's bottled Martini is a minimum 80 proof)

OLD MR. BOSTON IS THE FINEST GIN YOU CAN BUY
It's vacuum distilled at an unusually low temperature in special glass-lined stills. Only at such a low temperature, is it possible to capture the most delicate essence of the herbs. This is one reason for Old Mr. Boston's flavor distinction. It is America's first and largest-selling 80 proof Dry Gin!
